Hi, I found the map of which residents should have received notices. of the 54 residences, there are 9 members including Junita and Gregg.  
Objections were received from 1 Silveroak and 32 Arixoma.

Do we still want to persue this?

Regards  
Venessa

Hi Vanessa

Some residents undertook to check with the neighbours as to who was notified and then take it up with the Planning Department. I also volunteered to take it up on their behalf once I have the information. I have had no feedback.

Regards

Brian

Good day, please advise what the appeal process is regarding the application to erect a cell phone tower at the NG Kerk.

We received a map from Alderman Brian Watkyns indicating which erfs had been notified about the cell phone tower. Not all the residences marked on the map had in fact received a notification.

Please advise what the appeal process is and what the timelines are to submit an appeal.
